CANUEL TOURS & SAFARIS

FULL-DAY GAME DRIVE SAFARI ITINERARY

PICK-UP & TRANSFER TO THE GATE

Your safari adventure begins early with a lodge pick-up. Enjoy the scenic morning drive as your guide provides a briefing and prepares you for a thrilling day in the bush.

ENTER THE PARK & BEGIN MORNING SAFARI

Experience the African bush as it wakes. Spot predators like lions and leopards during their active hours, along with elephants, buffalo, giraffes, and more. Your knowledgeable guide will help track animals and share fascinating facts along the way.

CONTINUE GAME VIEWING

Resume your journey across diverse habitats — from riverbeds and open plains to dense woodland — maximizing your chances to see the Big Five and many more.

LUNCH STOP

Enjoy lunch at a second rest camp or picnic spot within the park. Unwind under the shade and recap the morning sightings.

FINAL SAFARI STRETCH

Afternoon hours often bring sightings at watering holes and riverbanks. Capture incredible wildlife photos and enjoy the peaceful beauty of the park one last time.

EXIT THE PARK & RETURN TRANSFER

Head back with unforgettable memories, stories to tell, and (hopefully) a complete Big Five checklist. Drop-off at your lodge or hotel in the late afternoon.
